

**Student Evaluation:**

Amber is diligent in her efforts to ensure the students have a variety of different evaluation techniques and types. A suggestion for improvement would be to record scores for components of large projects since a greater number of marks is likely to increase the reliability of the overall grade. Assessment criteria are clear and are consistent with other language arts classes at the school.

**Personal/Professional:**

Amber is assiduous in her efforts to ensure she is aware of the latest educational research. She has become a valuable member of the LA PLC and is incorporating vocabulary and the development of background knowledge into her lessons. She has been involved with the GLA workshops provided by the division and has attended the Middle Years Conference. Amber's relationships with colleagues are excellent. She has coached the boy's volleyball team with Mrs. Erasmus and is an integral member of the YAP team.

**Out of Class Responsibilities:**

Ms. Clark is an active participant in school events, including the myriad after school meetings that are held; she has participated in YAP meetings and field trips as well. Amber's meetings with parents have been conducted in a caring and professional manner.
