To Whom It may Concern:

I write this letter of support for Amber Clark.

I worked with Amber at the English Modern School for one year from 2012 to 2013. I taught grades 7 and 8 English and Amber taught grade 6 and 8 English.

As an experienced English/Language Arts teacher of 15 years, I learned a lot from Amber. Amber is highly skilled in technology and has excellent written and verbal communication skills. Her delivery of the content she taught was done through applied research-evidence best practice that engaged students in learning.

Amber knows her content, methodology, and has good rapport with students. She is also an educator who is willing to contribute to the school community beyond the classroom.

Amber is an experienced teacher of diverse learners. She is a true team player and works very well with her colleagues.

I highly recommend her for employment without hesitation.

Please contact me should you have any questions. My email address is [joankissman@yahoo.com](mailto:joankissman@yahoo.com).

Sincerely,

Joan Kissman
