R. PATTERSON, PRINCIPAL

L. BARRETT, VICE-PRINCIPAL
T. GERWING, VICE-PRINCIPAL

June 15, 2009

To Whom It May Concern:

I am writing this letter on behalf of Ms. Amber Clark. I am the Vice-Principal at Jonas Samson Junior High. Amber has been with us for most of this year teaching Grade 8 Math and Science, and Grade 7 Computer and Health.

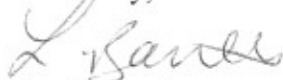

Ms. Clark is an extremely conscientious teacher. She is meticulously organized, and takes great care to have her lessons planned in detail. Planning is one of her fortes, and she puts in extensive time doing so. Amber is truly concerned about the academic success of her students, and goes to great lengths to ensure that they succeed to the best of their abilities. She frequently communicates with parents via telephone, e-mail and in-person meetings, which is greatly appreciated by parents, students, and colleagues alike.

Amber is also very open to suggestion. She is eager to do a good job and is not afraid to ask for clarity or assistance if needed. Amber asks thoughtful and thought provoking questions to her colleagues and welcomes guidance from fellow teachers and administrators. She strives to be professional in all respects and takes these responsibilities very seriously.

Amber offers a wealth of extra-curricular talents, the highlights being volleyball and basketball. She is a lifelong learner and shows a keen interest in researching ways to develop both personally and professionally. Her caring nature and her enthusiasm for her profession makes her an asset to any school.

If you require further information please do not hesitate to call me at (306) 236-5686.

Sincerely,

Lori Barrett
Vice-Principal
Jonas Samson Jr. High
